Amanda@School

Enable your
classroom PC to
communicate without
a telephone...

əman'də - ət-skool *n.* 1. the only complete 24-hour K-12 computerized communications solution for students, parents, teachers, principals, school administration and PTA, as created by The Automatic Answer 2. the safest and highest revenue-generating program available for K-12 schools; esp. for schools concerned with the safety of students soliciting door-to-door 3. the means to a). achieve operational excellence within K-12 school; b). overcome budget restraints to fund school projects c). receive and manage voice and fax messages from a teacher's classroom PC d). allow parents to more actively and conveniently participate in their children's education.

ALSO
INCLUDES:

- Homework/Information Hotline
- Sponsorship Revenue Generator
- Voice Mail
- Automated Attendant
- Network Connectivity (LAN)
- Visual Messaging
- FAX Server
- Audiotext
- Automatic Telephone Dialing
- Call Control
- FAX-On-Demand
- Interactive Voice Response
- Automated out-dialing notification and response

The "Educated" Answer To Your School's Communications Needs.
